BRITISH NATIONAL FINALS – Can anyone send me photos please from the Nationals to accompany a news paper article? Thank you. I have reattached the Nationals results as there were a couple of errors on it. Apologies to Caitlin as I missed her DMT result off!

SUMMER TRAINING 2013 – We are running summer sessions next week including three day small camps for trampolining only. See the attached information for all additional summer provision.

ALGARVE CAMP – We returned last weekend from the Algarve Camp which was a terrific experience. A lot of great training took place interspersed with swimming daily, and trips to a water park and the beach. Thanks to the coaches who gave up their week and coached superbly all week, Pip, Jess, Tony, Hannah, Philip, Liam, Kylie and Tamzin. Next year's camp details will be distributed next month.

SUMMER CAMP 2013 Summer Camp concluded yesterday and was a great success. Thanks to Jess for organising the camp and to her team of Hannah, Kylie, Jess, Liam, Amanda and Tamzin who gave the campers a great time.

MEGA CONGRATULATIONS – WORLD GAMES CHAMPION – AMANDA. It doesn't get any better in the world of synchronised trampolining than to win the **World Games gold medal!** The World Games is the prestigious Olympic equivalent for non Olympic sports held once every Olympic cycle, so both DMT and synchronised trampolining are part of the games. Amanda and her synchro partner Kat Driscoll took the title in style in equal 1st place with the Chinese. Their final routine yielded the highest synchronisation of the round and matched with high form and difficulty it clinched our ladies the title. **Amanda we are so proud of you and Kat and your achievement.**

MEGA CONGRATULATIONS TO PETE for an excellent performance too at the World Games in DMT which saw Pete compete in a fantastic top world class final and finish in 7th place. Pete trampolines for Edgbarrow and trains and competes DMT at Evolution, so well done too to Evolution.

SEPTEMBER 2013 to AUGUST 2014 You should have received your club packs for September by email from Heather by now. Please let Heather know if you haven't. We have had to make changes to many session times and even days due to staff changes and ask you to be tolerant of how these changes may have impacted on you. Thanks.

LOULE CUP 3rd to 8th September – Portugal There will some changes to coaching staff during the first week of the term as some coaches are in Portugal for the Loule Cup. **GOOD LUCK** to everyone competing at the event.

WELSH CUP INTERNATIONAL Everyone who is qualified to compete at Regional 'D' and can comfortably execute the 'D' routine, up to FIG 'A' national competitors are eligible to enter the Welsh Cup Invitational International in Cardiff on October 4th to 6th. The original info I sent out had an error on it. Please see the amended info attached. If you wish to enter please follow the instructions on the info. It's a great way to experience international competition without travelling abroad!

BANK HOLIDAY MONDAY AUGUST 26th – Training will be in the morning on this day. You must sign for your session by Monday 19th August. The list is on the white board in reception.

NEW COMPETITION STRUCTURE Many of you have heard that there is currently the greatest shake up ever in competitive trampolining which has changed the national competition structure to be a much more elite system based on the artistic gym model. Edgbarrow has always prided itself on its great depth of numbers competing with good form. Unfortunately the new system will be way more exclusive, so we are currently looking to create an inclusive competitive pathway to suit all members. We will keep you informed of developments and for those concerned about the future we urge you not to get involved in social media chat regarding the new structure.

UNIVERSITY STUDENTS You are all entitled to train during the daytime sessions from September. Please let me know as soon as you get your timetable so I can allocate your sessions. **GOOD LUCK** to everyone starting uni.

SAD NEWS Three long standing members have decided to 'hang up their leotards'. Ryan and Liam are world class wake boarders and have recently secured funding and have many more demands on their time for wake boarding which has sadly meant that they can no longer train and compete for us. Thanks Ryan and Liam and Bethan too who is also leaving us for your great representation of Edgbarrow over so many years. We shall miss all three of you very much.

TRIALS those trialling for WAGC and/or competing in Loule Cup must commence training now for their events. See me or your coach.

Yours *Sue and the Coaches*
