Monday August 26th

Monday September 2nd

- British National Finals

- Summer training schedule commences

- Algarve Camp

- Edgbarrow Summer Camp

- Edgbarrow Extra Summer training days/sessions

- Edgbarrow Extra Summer training days/sessions

- Bank Holiday – changes to training

- Club returns to normal training

THANKS to Pip and the Regional Coaches on running yet another successful Regional Squad last month.

PRE NATIONALS PREPARATION – Well done to everyone on great preparation and thanks to everyone who coached and officiated at both of our pre National preparation competitions.

EDGBARROW AGM – Thanks to everyone who attended on June 29th and thanks to Jackie for organising the annual Club AGM.

SUMMER EXTRA TRAINING 2013 – There is one Summer Camp this year from Monday to Thursday (inc) August 5th to 8th. The application form is attached. The camp is for all levels and ages above 8 years old and includes additional activities such as diving as well as trampolining and DMT. We have only five remaining places. Apply now to avoid disappointment. We are running summer sessions too and three day small camps for trampolining only. See the attached information for all extra summer provision.

GOOD LUCK TO AMANDA & PETE - The World Games is the Olympic equivalent for non Olympic sports so both DMT and synchronised trampolining are part of the games. It is a really prestigious event held every Olympic cycle. This year it is in Colombia at the end of July. Enjoy the experience Amanda and Pete!

RESIGNATIONS We hate to think of anyone resigning but please note if you do wish to resign this summer you are required to give a minimum two months written notice. As we need to make some changes for September, we would really appreciate anyone who is resigning doing so now so that we can allocate spaces for September as they are in great demand. You can continue to train throughout your resignation period, it just allows us to know where spaces are coming up. Thank you.

SEPTEMBER 2013 to SEPTEMBER 2014 You will receive your club packs for September at the end of July.

Due to some changes we have had to make to the existing contract, ALL members are required to complete a new contract for September 2013. Thank you for your co-operation.

CHANGES TO FEES There will be no rises in fees from September 2013 to August 2014.. There is one change however to the Competitors Fee which is levied as a one off payment every September. This payment is to support our coaches with their competition expenses and will increase to facilitate our additional costs.

SUMMER TRAINING The summer holiday training schedule will commence on Monday 22nd July. You will be issued with a training schedule. Most of the days and times will remain the same as term time. You do not have to sign for summer training except for the week of Saturday 27th July to Saturday August 3rd when most of the coaches are in Portugal for the Algarve Camp. You must sign the list on the white board in reception by Saturday 20th July. Also those who do the 2.00pm daytime training will be required to sign (I will hold this list and speak to you all personally re training between July 20th and September 1st).

BANK HOLIDAY MONDAY AUGUST 26th – Training will be in the morning for this day. You must sign for your session by Monday 19th August. The list is on the white board in reception.

ALGARVE CAMP Good luck and have fun everyone attending camp at the end of the month. Everyone will have a personalised programme to take with them with work for the week. There will be a meeting for parents on Saturday 20th July at 6.30pm sharp at the centre. Those who live a long distance away we don't expect you to make a long journey to attend for just one hour, but everyone else please attend.

BRITISH NATIONAL FINALS – 9 BRITISH TITLES – 9 SILVER MEDALS – 8 BRONZE MEDALS.

You competed 162 passes/routines and completed 154 ie a 95% success rate. This is an amazing achievement.

The majority of our competitors won a team medal. Please check the results sheet below and collect your medal from me if you haven't had one. We have participation certificates for everyone who took part. Please collect these from the envelope positioned where you usually place your tariff sheets under bed 8. Thank you to everyone who worked so hard to make Nationals such a success, the coaches who did a brilliant job, officials, coaches who covered club over the weekend, and of course you the parents. We are very proud of everyone's achievements.

(Please let me know immediately if I've got any results incorrect or have omitted you!).

JUNE'S LOTTERY RESULTS Congratulations to our winner Karen Venning who receives £50.00, and our runner up Tara Gartland who receives £25.00. Apologies for the late draw.

RESULTS See below for the Nationals results. Have a great summer holiday.

Yours *Sue and the Coaches*

BRITISH NATIONAL CHAMPIONSHIPS 2013

Brilliant results!

(Many groups had large numbers and over 500 trampolinists competed at the championships, which puts your amazing results into perspective)
