The lottery contribution has dropped a little for this cycle. We still have some lottery numbers available. If anyone would like to persuade a friend or family member to buy a number for £2.00 per month please contact Kim through me at my 'haystak' email account.

CONGRATULATIONS to everyone who competed in Prague last month in the Friendship Cup International. Everyone had a great time. Thanks to Emily for organising the trip and Pernille, Nick and Hannah who attended the trip as coaches with Emily. Thanks too to Mike Phillipson who judged for Edgbarrow at the event.

EDGBARROW AGM – The AGM will take place at the conclusion of the club championships on December 10th. Time to be confirmed.

UNDER 15 SQUAD – Sunday December 18th – Those to be invited will be informed by Hannah shortly as this is close to Christmas so you can arrange social calendars!

ENGLISH CHAMPIONSHIPS – The timetable will be re-sent separately from this email as several of you couldn't open it. There are some changes also from the one distributed so please all check. You are expected to attend Friday night orientation which we believe to be from 6.00 to 7.30pm (to be confirmed).

PRE-LEAGUE PREPARATION COMPETITION – Due to so many League Finalists competing in the English Championships the preparation event is cancelled. Everyone will compete with a standard pre-comp by the Wednesday before the League Finals.

GOOD LUCK to everyone competing in the David Ward-Hunt International this weekend. Enjoy the experience. If you haven't received information this week from me please contact me asap at my haystak email.

CONGRATULATIONS to everyone who represented the club in the Regional Team Championships on Sunday October 9th. We now believe our teams finished in 2nd and 3rd places and not 2nd and 4th (we will sort out trophies). This was a great result as our strength this weekend was split between those competing in Prague and the team event.

CHRISTMAS HOLIDAY SIGNED TRAINING – Christmas Holiday signed training will commence on Friday December 16th. You will need to sign for your training by midnight Saturday 10th December. The lists will be posted on the website early next week. New members please ask for help from your coach if you are unsure what to do.

CHANGES TO TRAINING IN NOVEMBER – We have three big events in November, the David Ward-Hunt International, the English Championships and the League Finals. Please see attached for the relevant changes to training. Those who train on Saturdays must check the attached document for their session time changes on Saturdays 6th, 19th and 26th November. We apologise for so many changes.

LEOTARDS – The saga continues! We will not now due to problems with the order have new leotards for the League Finals. Apologies. We are still attempting to get the design sorted. We will keep you informed on progress.

CONGRATULATIONS to Lara, Caitlin, Lucy, Grace and Zara who had a great time in Austria recently at the Alpen Cup competing for Wales. Everyone competed well. A special mention to Zara, 2nd in the ladies group, and Lucy and Caitlin 2nd & 6th respectively in the 13/14 age group.

LEAGUE FINALS – CONGRATULATIONS to everyone who has qualified for the League Finals. (Check the League table list for those invited to compete). We are very proud of you all. Unless you inform Sue W and me by Saturday 5th that you are unable to compete, those qualified for finals will be entered automatically. Please buy your spectator tickets asap to avoid disappointment, places are limited.

THANK YOU to Mandi (Grace's Mum), Sheila (Natasha & Rachel's Mum), Donna (Leah's Mum), Kelly (Lucas & Gerge's Mum) and Amanda (Amelia's Mum) for taking over the Fund Raising Committee from Jackie and her team. We are very grateful ladies. Thanks again to Jackie and her team for so many years of hard work for club.

2016 CLUB CHAMPIONSHIPS – This year's Club Championships are on Saturday December 10th. Your entry fee was included in your membership fee paid in September but you will only be entered if you return your entry form by December 3rd. The forms will be posted during next week. We expect everyone to enter and use the event for essential competition experience. The championship also includes a fancy dress synchro competition. Please ask your coach for assistance with competition levels once the forms come out.

EDGBARROW'S FAMILY RACE NIGHT – On the evening of December 10th after the Club Championships we are holding a Family Fun Race Night. This is a great family and friends social 'do'. The event is at the Morgan Centre in Crowthorne from 7.30pm. Please bring your own alcohol and we will be selling soft drinks. The ticket price (£25.00 for a group of 4, £7.00 for an individual ticket) includes food, pizza, salads and a dessert. The evening is compered and a great deal of fun is had by supporting races of your choice. Please note that places are restricted so we urge you to buy tickets as soon as they become available. You are welcome to bring friends who are not club members. This is a great evening so we hope you support our major fundraising event of the year.

TOMBOLA, RAFFLE & HAMPER DONATIONS – Please support our Club Championships and Race Night by donating tombola and raffle prizes, items for the hampers and on the day bringing in cakes and other refreshments. We will be accepting donations from now on.

SAD NEWS – We are sadly saying goodbye to some of our seniors - Charlotte M has returned to Bath after her placement year, Zara has returned to Wales to work after completing her degree and Rosh too will be leaving us after League finals. Thank you all for representing Edgbarrow so magnificently and good luck for the future.

FINALLY – Love is still in the air! Darryl and Emma became engaged last weekend. Congratulations to both of you.

Yours

Sue and the Coaches
