GOOD LUCK to everyone competing in the first Regional NDP and Regional event on February 4th. Anyone advised and listed as NDP 1 to 4, plus those advised by Hannah L should enter the event by January 10th. Please confirm your entry with your coach first as only those technically ready will be advised to enter.

‘FIRST 100’ COMPETITION – SUNDAY JANUARY 21st – Everyone taking part in the Regional event on February 4th should enter the ‘First 100’ this month in order to perfect their competition routines for the Regional competition. Other club members are encouraged to enter whether or not competing in the Regional to practice the Club level routines or routines/combinations/new moves for other events.

CONGRATULATIONS to everyone who took part in the club championships on **Saturday 9th December**. A great day was had by all with some tremendous fancy dress outfits and fun synchro routines alongside some spectacular individual performances.

THANK YOU to everyone who attended, helped and gave generously to our fundraising initiatives both at the Club Championships and during the evening at the Barn Dance. You helped to raise a magnificent £750+.

THANK YOU TOO to Mandi Titheridge and her fundraising team who worked very hard for club to raise so much.

PERSONALISED PRINTED PIT SOCKS – Please pay asap for your pit sock and either put £7 cash in a named envelope with the words *pit sock* written on it and place in Heather's blue post box in reception, or transfer £7 into the club account with the ref - PIT and your name.

ADDITIONAL PERSONALISED PIT LOGS - If anyone would like a personalised foam log but hasn't yet ordered one, please contact Alan at alan@alanchapman.net stating your name and the name(s) you wish to put on the sock. Please order by January 25th. This is a fundraising initiative for club so the more people that would like a named log the more money we raise. Thank you for your generosity.

SQUAD SESSION – There will be a squad session of Sunday February 11th. Hannah L will inform those to be invited on her return later this month.

THANK YOU TO EVERYONE WHO HELPED WITH THE PIT REPAIR & CENTRE CLEAR UP – It was a major procedure required to repair the pit side and sort out the foam, and ended up being a two day job between Xmas and the New Year. So thank you to everyone who helped, and especially to those of you who gave two days to the venture. We are nearly there with the pit renovations as we require one more foam delivery, which will happen shortly, and a renewed effort to put pit socks on and then the renovation will be complete.

JUDGING COURSE – If any parent or 15+ club member would like to attend a judging course please click on the following link and get signed up. The courses are informative, fun and you get an insight into trampolining and can, most importantly judge for club when it suits you!
