GET WELL SOON Mia I and Phoenix who recently sustained injuries. We hope to see you back at training soon.

FAREWELL to one of our wonderful top National league competitors Harry Minter. Harry has been a loyal member of Edgbarrow since he was a little boy, travelling abroad with us to training camps and competitions and representing Edgbarrow brilliantly, winning many National level medals and always being a great role model for those around him. We'll miss you Harry, good luck at university.

SUNDAY SQUAD – Apologies but we are unfortunately cancelling the Squad session originally scheduled for Sunday 11th February.

GOOD LUCK to those competing in the next regional competition on Sunday 25th February. Everyone competing must see Hannah L, Hannah B or Kieran asap with regards to range and conditioning assessments at the competition.

DMT SPACES – We have a couple of DMT spaces that have recently become available. Anyone wishing to start DMT please speak to your trampoline coach first before applying to club.

JUDGING COURSES – If any parent or 15+ club member would like to attend a judging course please click on the following link and get signed up. The courses are informative, fun and you get an insight into trampolining and can, most importantly judge for club when it suits you!
